 - d. Facilitation and dissemination of lectures, exhibits, etc., which may be organized by the embassy.
 - e. Public relations and assistance when desired for Argentine officials visiting the country.

ATTACHMENT B

Item 11

An important aspect of the program for Argentina is to assist in providing good will toward the country and its government. The promotion of such confidence and good will, as justified by the facts and disseminated to a variety of audiences, would presumably be reflected in attitudes of other segments of the U.S. public, including present and potential export customers, investors, etc.
